Assistant Commissioner of Patents

Dear Sir:

Attached please find Figs. 4 and 20 with red ink markings showing proposed changes to the drawings in this application for which the approval of the Examiner is requested.

Revised Fig. 4 is being submitted to correct a typographical error. Fig. 20 has been amended only to add clarity to a non-referenced portion of a drawing. No substantive changes have been made, and the revision to Figs. 4 and 20 do not add new matter and are supported by the application as originally filed.

Respectfully submitted,
